Communications:

Two letters and a personal visit to the Secretary by the Board of Health, a Dr.Howit, were the answers to the letter sent the preceding month for help in placing signs at certain particular places where rubbish and garbage have been dumped. The Board said he had sent a dozen signs to Mrs. Cook of Bolinas and that together with that organization we should mount these signs on boards and place them wherever necessary. The Club is of the opinion that the Board of Health should attend to this matter instead of forcing us to hire a man to do the work. After considerable discussion Dr Howit said that he sould endeavor to get the money from the Supervisors to hire the man to do the necessry work. In the mean time it was decided that the President should write to the District Manager of our State Highway and see if they might not cooperate.

New Business:

Motion made and seconded that Joe Avila be hired to cut the grass along the trails on town.

The Secretary was asked to write a letter of thanks to Mr. Gilbert Secord for opening the ditch below Mr. Worrals lot after the very heavy rains two weeks ago. There was a tremendous amounth of earth to be moved and Mr. Secord did it voluntarily. The Club wants him to know that his efforts were appreciated and if anything like it ever happens again the Club will help out in any way he suggests.
